

ORIGINAL RESEARCH ARTICLE; META-ANALYSIS/SYSTEMATIC REVIEW

For Original Research and Systematic Review/Meta-Analysis

- The abstract must be uploaded using an A4 paper size, in the format of Microsoft Word (.docx), font type: Times New Roman 10pt.
- Articles should use justify as the paragraph style (align left and right), be typed 1-spaced, organized into distinct paragraphs representing each section and leave a 2.5-cm margin on all sides.
- The title and subtitle must be written in **bold** and **capital letters**. Do not include authors, institutions, city names, trademarks and abbreviations in the title.
- Authors' names must follow this format: first and middle names written as initials, and last names written in full (e.g., A. B. Putri, C. D. Putra), along with their respective affiliations.
- The abstract must contain a minimum of 200 words and must not exceed **250 words**, excluding the title, authors' names, and affiliations.
- Abstracts for original articles must be written as a **structured abstract** consisting of the following sections:
 - **Background and aims:** rationale for the study
 - **Methods:** a brief description of the study design and key methods
 - **Results:** a concise presentation of the main findings; sample size should be stated
 - **Conclusion:** a concise statement of data interpretation
 - **Keywords:** no more than five (written in italic)
- You may add a **maximum of one (1) figure to your submission**. A file name is mandatory for each upload.

Your file(s) must meet the following criteria:

 - Accepted formats : tif/.tiff or .raw file
 - Minimal resolution 350 DPI
 - Size : no larger than 5 MB
- The figure caption must be placed below the figure and center-aligned. Only the word "**Figure**" and its corresponding number should be written in bold, followed by the caption text in regular font (e.g., **Figure 1.** Lorem ipsum dolor sit amet).

CASE REPORT/SERIES

For Case Abstract

- Patients must never be identifiable. Patient data (name, date of birth, hospital number....) must be removed.
- As the grading and selection process is blinded, the title and content (including media files) must not contain identifying features, i.e., information such as: Names (authors or others) Names of the institutes (hospitals, medical schools, clinics...)
- The abstract must be uploaded using an A4 paper size, in the format of Microsoft Word (.docx), font type: Times New Roman 10pt.
- Articles should use justify as the paragraph style (align left and right), be typed 1- spaced, organized into distinct paragraphs representing each section and leave a 2.5-cm margin on all sides
- The title and subtitle must be written in **bold** and **capital letters**. Do not include authors, institutions, city names, trademarks and abbreviations in the title.
- Authors' names must follow this format: first and middle names written as initials, and last names written in full (e.g., A. B. Putri, C. D. Putra), along with their respective affiliations.
- The abstract must contain a minimum of 200 words and must not exceed 250 words, excluding the title, authors' names, and affiliations.
- Case reports or case series abstracts must be organized into the following sections:
 - **Background**
 - **Case Presentation**
 - **Conclusion**
 - **Keywords:** no more than five (written in italic)
- You may add **a maximum of one (1) figure** to your submission. A file name is mandatory for each upload.

Your file(s) must meet the following criteria:

 - Accepted formats : .tif/.tiff, .raw file, .jpeg, and .png
 - Minimal resolution 350 DPI
 - Size : no larger than 5 MB
- The figure caption must be placed below the figure and center-aligned. Only the word "**Figure**" and its corresponding number should be written in **bold**, followed by the caption text in regular font (e.g., **Figure 1.** Lorem ipsum dolor sit amet).

For Case Presentation

- Prepare your presentation on ISICAM 2026 template. Only .ppt, .pptx, .pps, .ppsx formats are accepted
- Your presentation **must not exceed 10 slides** (including title and conflict-of-interest slide) and feature fixed images only, without videos (**if selected, you will be able to add slides with videos**). The size must not exceed 120 mb. The end slide is mandatory in your presentation
